A FUNDRAISER FOR THE

Nicholas Koenig is the brave, courageous and heroic son of Erik and Shannon Koenig of Richmond, Minn. At the age of 2, Nicholas was diagnosed with leukemia. Nicholas passed away in August 2011, but in his short 4 years of life he inspired others to reach out to support him and his family, and other families battling pediatric cancer. To continue spreading this support and to honor a hero, the Nicholas P. Koenig HERO Foundation was created.
